GROWTH CAPITAL
SERVICES

UNDERSTAND YOUR CREDIT. IMPROVE IT, STEP BY STEP.

Our advisors help individuals and business owners read their credit report, spot problems and plan the next steps before they apply for a loan.

CIBIL ADVISORY SERVICES | FOR INDIVIDUALS AND MSMEs

HOW WE CAN HELP

Credit report review
We explain your report in simple words, including what lenders see.

Understanding your score
Learn what affects your CIBIL score and what may have hurt it.

Spotting errors
Find wrong accounts or status, and learn how to ask for a correction.

Dues and closed accounts
Guidance on overdue, settled or closed accounts.

CMR for businesses
MSMEs: understand your CIBIL MSME Rank and what lenders look at.

A step-by-step plan
What to pay first, how much credit to use and when to apply.

Loan readiness
Get your profile and documents ready before you apply.

Loan support
Compare options from 75+ Banks and NBFCs when you are ready.

Talk to Our Loan Expert

Growth Capital Services is a loan consultant, not a credit bureau or a lender. Only the bureau and the lender can correct a credit report, after their own checks. We cannot promise a change in your score or the approval of a loan. Results depend on your credit history, your profile and each lender's policy.
