BASIC ELIGIBILITY Indicative starting points

- Resident Indian, generally 23– **65 years** (up to around 70 for self-employed) at loan maturity
- Salaried with take-home income from about Rs.25,000 per month, or self-employed with 2– **3 years** of ITR
- A CIBIL score near 700 gets the sharpest rate; lower scores are reviewed case by case, not auto-rejected
